

RÍO SECRETO®

Río Secreto it's a journey through a glass museum of formations that tell the geological history of our planet.
It's without a doubt, a life transforming experience.

DID YOU KNOW?

- It's the longest semi- flooded cave in the Yucatan Peninsula.
- We have 90 hectares of land of which by our conservation programs, we use only 10% for tourism purposes.
- For your safety, we only manage small groups.

STEP BY STEP (half day tour):

- Arrival at the reception and service area of Río Secreto.
- Welcome Video.
- Transportation to the Río Secreto reserve (approximately 15 minutes).
- Arriving at the reserve, your guide will give safety measures and equipment to the visitors.
- Prior to enter the Mayan underworld, the visitors will follow a path inside the natural reserve in where he will receive a welcoming Mayan ceremony.
- The visitors will walk and swim through A natural crystal gallery trough a route of maximum 1km for approximately 1.5 hours.
- Return of equipment.
- Toast of Xtabentún.
- Display of the tour photos.
- Buffet with regional food and fresh waters.
- Return to the reception for the transfer to your hotel or to your own transportation.
