

You will have a guided visit to Tulum, the most beautiful archeological area in Mexico. It is small but located at a cliff with a view of the Caribbean Sea. Admire this ancient city and let your imagination travel. Afterwards, visit Río Secreto Nature Reserve on a unique journey to the Xibalba (Mayan underworld). Walk through caves and swim in a completely natural underground river. Admire formations that tell Earth's geological history. Not a doubt, a life changing experience.

STEP BY STEP (approx. 8 hrs.):

- Visitors will arrive to Tulum Ruins, where their guide will provide approximately 40 minutes of information about the area, as well as some instructions about the tour, so they can be able to enjoy almost one hour of free time before going to Río Secreto.
- Visitors will arrive to Río Secreto's reception and service areas.
- Welcome video.
- Transportation to the reserve (approximately 15 minutes).
- When arriving to the reserve, one of our guides will provide them with safety measures and the necessary equipment.
- Before entering the Mayan underworld, visitors will tour around the paths of our nature reserve, where they will receive a Mayan welcome.
- They will walk and swim through beautiful natural crystal galleries, during a tour of maximum 1km, lasting approximately 1.5 hours.
- Return of equipment.
- Toast with Xtabentun.
- Visualization of pictures from the tour.
- Regional buffet and naturally flavored water.
- Return to reception for transportation back to hotel.

** Note: In private service the order and time of activities may change.*
