

# RÍO SECRETO® Plus

**Río Secreto Nature Reserve**, increases your adventure with **Río Secreto Plus**. A journey into the bowels of the Earth, through an underground river, where you'll admire incredible rock formations that tell the geological history of our planet. Besides, you will enjoy a calm bike ride through the jungle and rappel into the Xibalba (mayan underworld). You will also experience a multimedia tour through our Dry Cave, where your senses will discover the man-cave relationship through the years.

## STEP BY STEP (Approx. 6:30hrs):

- Arrival to Río Secreto's reception and service area, located on the highway Cancun-Tulum KM. 283.5, 5 minutes away from Playa del Carmen.
- Welcome Video.
- Transportation to nature reserve (approximately 15 minutes).
- Arriving at the reserve, your guide will give safety measures and equipment to the visitors.
- The activities are: rappel, bike, multimedia tour in dry cave and underground river. At the end, a regional buffet and natural flavored water.
- Return to reception for the transfer to your hotel or to your own transportation.

\* Note: The order of activities may vary according to the logistics.
